"plants on east campus" November, 2016

Did you know UIC was the first in Illinois to be recognized as a Bee Campus USA?

GREENHOUSE *Tour & Talks*

Learn all about native plants, pollinators and what grows at UIC on this guided walking tour.

UIC Biological Sciences professor, Dr. Alan Molumby, will present to us the importance of bees and other pollinators as we walk around the grounds of the Plant Research Laboratory.

TUESDAY
APRIL 25
11 AM - 12 PM
