

CCSE Transportation Meeting Minutes

Date: Tuesday, April 14, 2014

Time: 3:30-4:30pm

Location: Student Residents Hall (818 S Wolcott), 3rd floor, Room 325

Present: Stephen Schlickman, Kevin Shalla, Cynthia Klein-Banai, Katherine Yoshida, Sheena Freve, Albert Schorsch

Discussion:

1. Proposed goals and objectives:
 - i. Reduce fuel consumption by 4% per year over the next five years.
Sub-goals include:
 - a) Increase purchasing and use of fuel efficiency vehicles on campus, i.e. hybrid and electric vehicles purchasing by 4%;
 - b) Reduce campus fleet travel distance by 4% by reconfiguring shuttle route and reducing its related operating cost.
 - ii. Increase biking and walking by 30% over the next five years.
Sub-goals include:
 - a) Increase campus participation in Bike 2 Campus week by 7%;
 - b) Increase bike events by 50% per year;
 - c) Increase secure biking parking by 10% per year over the next five years.
**increase biking & walking by 30% may reduce GHG by 18% (Chicago Climate Action Plan)*
 - iii. Increase intercity business travel via Amtrak trips by 3% per year over the next five years.
 - iv. Increase bike safety
 - a) Increase number of campus parking customers who take Bike Safety Quiz by 150 new participants each year;
2. Others:
 - i. Wanda Perry offered 1 month of free parking for people who took bike safety quiz
 - ii. Bike planning grant is only used for improving bike infrastructure in the right of way hence cannot be used to build or improve bike racks on grounds closer to UIC buildings that are not in the right of way.
 - iii. CCSE meeting with Chancellor: 06.18.15, 2-4pm at University Hall Rm 2750
