

3 simple steps to make this successful

1. ONLY Pipette Tip
Boxes, Lids, Trays
No other plastic, no garbage,
no tips. In short: NOTHING ELSE

2. Stop filling the
bag at 75% full
Our BSW's can't lift and
tie off the bag when full

3. Contact us if **recycling@uic.edu**
something is wrong **6-2517**
You are the eyes & ears and
will make this successful!
