

Energy Efficient Ultra-Low Temperature Freezer Rebate Application

The University of Illinois at Chicago is partnering with the Illinois Department of Commerce and Economic Opportunity to offer rebates up to \$2,000 per freezer to UIC employees that purchase energy efficient Ultra-Low Temperature (ULT) freezers. Rebates are available on a first-come, first-served basis until program funds are exhausted. You must fill out this form for each new freezer you are purchasing. Visit <http://go.uic.edu/freezer> or call 312-996-3043 for full list of requirements.
