

Environmental Responsibility at OfficeMax

From the Office to the Breakroom

Helping our Customers to be Green

Sourcing

- We source environmentally preferable products including recycled content, refillable and re-manufactured items.

Services

- We help dispose of obsolete electronics in an environmentally responsible manner. We offer ink/toner cartridge returns so that the product can be re-manufactured.

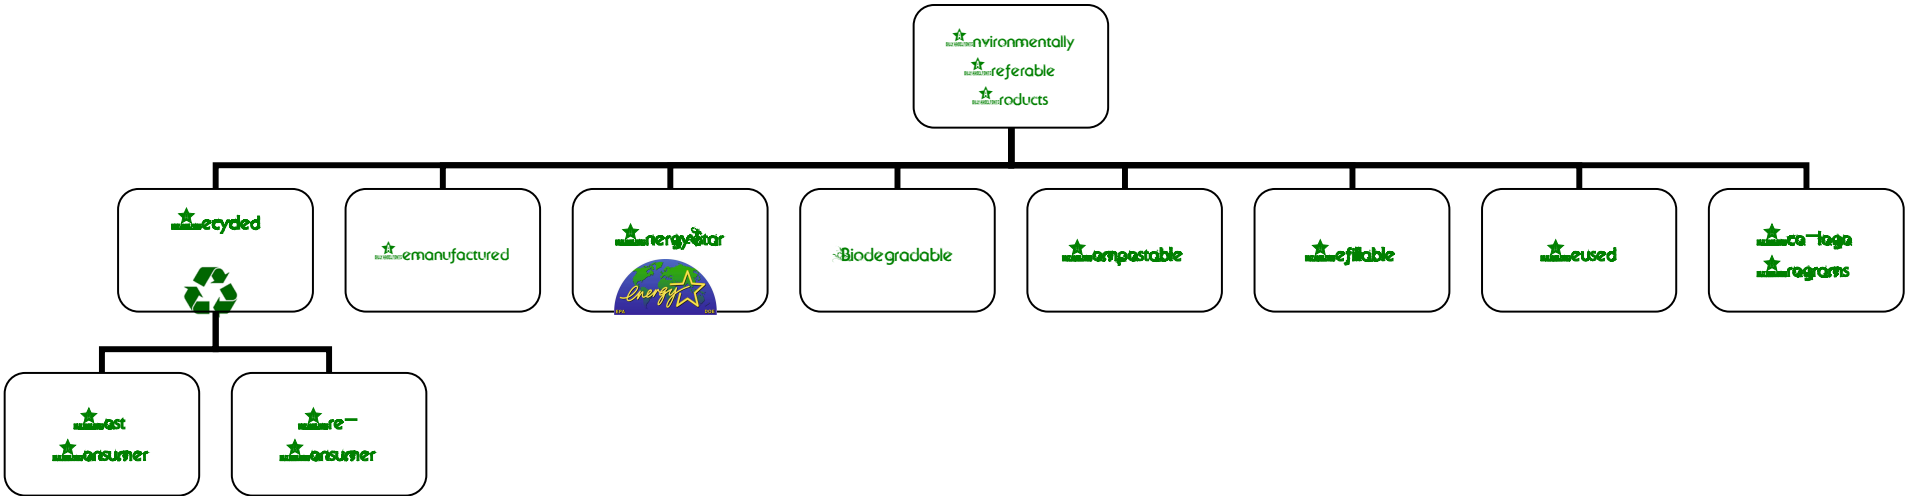

Delivery & Reporting

- We offer sophisticated reporting tools to review customer ordering behaviors and help improve our CO₂ footprint by recommending environmentally preferable ordering methods and delivery options.

Environmentally Preferable Products

30% of stocked contract inventory is EPP
