

# SHOW US YOUR COLORS

## A SUSTAINABILITY BUILDING CAMPAIGN

The Office of Sustainability would like for everyone in your department to participate in our engagement campaign.

You might have noticed the big “What Color is Your Sustainability?” poster hanging in the Rebecca Port Cafe lounge space on the second floor. The purpose of this poster is to bring attention to the small things that our UIC community does on a daily basis to create a sustainable campus – and to help you get to know your building community better.

In this envelope are “What Color is Your Sustainability?” quizzes and several different colored stickers that are based on the different types of sustainability showcased in the quiz. (The quiz is also available online: <https://sustainability.uic.edu/files/2014/05/WhatColorIsYourSustainability-2.pdf>.)

### Here are instructions for participating in the poster engagement campaign:

- 1) **Take the quiz and see what color your sustainability is.**
- 2) **Pick the sticker of your color—or a different color that appeals to you more (maybe the quiz was wrong!).**
- 3) **Write your name and department anywhere on the sticker.**
- 4) **Place the sticker on the poster for everyone to see!**

If you find that you need more quizzes or stickers or have any questions or comments, please feel free to the Office of Sustainability at: [Sustainability@uic.edu](mailto:Sustainability@uic.edu).
