

Do you have what it takes to climb all 28 floors of University Hall?

Join us at the bottom of University Hall as we ascend via the stairs to the top. Then we will celebrate our one year anniversary of our UIC Climate Commitments announcement in the Chancellor's conference room with refreshments, photo-ops, and views of UIC's sustainable features that only can be seen from up high (like our green roofs & solar panels).

## Fitness Challenge

## UIC Climate Commitments Party

Wednesday, April 12

University Hall Lobby  
11 AM - 1 PM  
(beginning of stair challenge)

2850 UH
